# Proven Results

If you are in need of short-term or long-term skilled nursing care that brings real, healing results, Friendship Village Skilled Nursing and Rehabilitation is the best choice in the area. Our team of compassionate, highly qualified professionals brings a wealth of experience to your recovery efforts.

- Preferred provider of St. Louis-area hospitals: Mercy, St. Luke's, BJC and SSM
- Staff retention rates are above industry average
- First to receive INTERACT™ Center of Excellence designation

Our recognitions include:

# We Keep You Well, Longer. Body, Mind and Spirit

We take a holistic approach to your wellness and recovery by providing:

- Social, cultural, educational and spiritual enrichment
- Serene environments where your comfort is our top priority
- Highly qualified teams of professionals that deliver care personalized for you

Our locations within the beautiful Friendship Village communities allow access to campuses fully equipped with the latest wellness resources, programs and technology for seniors.

“ From admissions to nursing, the entire staff is wonderful. They made this transition very easy for us. All questions and concerns are addressed in a caring way. It’s a huge weight off our shoulders knowing our mom is with people who really care about her, and us. ”
